Test Preparation Checklist

Test format: Anticipating exam content

<table>
<thead>
<tr>
<th>Multiple choice</th>
<th>True/false</th>
<th>Lab</th>
<th>My anticipated grade: ______</th>
</tr>
</thead>
<tbody>
<tr>
<td>Matching</td>
<td>Essay</td>
<td>Diagrams</td>
<td>Percentage of grade: ______</td>
</tr>
<tr>
<td>Completion</td>
<td>Problems</td>
<td>Scenarios</td>
<td>Other: ____________________</td>
</tr>
</tbody>
</table>

Prioritization: What content will the exam cover? (List test topics and rate your knowledge)

<table>
<thead>
<tr>
<th>Topic</th>
<th>Very confident</th>
<th>Need to review</th>
<th>No clue</th>
</tr>
</thead>
<tbody>
<tr>
<td></td>
<td></td>
<td></td>
<td></td>
</tr>
<tr>
<td></td>
<td></td>
<td></td>
<td></td>
</tr>
<tr>
<td></td>
<td></td>
<td></td>
<td></td>
</tr>
</tbody>
</table>

Study Plan: When will I study? What will I study? How will I study?

<table>
<thead>
<tr>
<th>Date/time</th>
<th>Location</th>
<th>Topic</th>
<th>Study technique</th>
</tr>
</thead>
<tbody>
<tr>
<td></td>
<td></td>
<td></td>
<td></td>

Post-test Reflection: Planning for the Future

What study techniques did you use to prepare for the exam?

__Reviewing lecture notes
__Reading assigned material
__Creating individualized study aides (outlines, flash cards, study guides, etc.)
__Predicting test questions and test content
__Studying with classmates
__Practicing patient care scenarios
__Other ____________________________

Which of these techniques were most useful? _______________________________________

What additional test preparation techniques might you practice in the future? ________________

____________________________________________________________________________________

My major test taking weaknesses were:

__Pacing (time management while testing)
__Comprehending test question wording
__Recalling information
__Guessing answers
__Studying the wrong material
__Other ____________________________

How prepared did you feel for the exam? ________________________________________________

Will you change how you study for exams in this class in the future? How so?
____________________________________________________________________________________
____________________________________________________________________________________

The most difficult aspect of the test was: _____________________________________________

Why? ______________________________________________________________________________

___________________________________________________________________________________
