Library Mission & Introduction

Rasmussen College Library System, in accordance with the mission of the College, is rooted in a tradition of student support and driven by a desire for academic excellence. The library is passionate about empowering the college community and cultivating life-long learners who are prepared to thrive in a diverse and digital society.

In support of this mission, we:

- Extend our resources and services to all students and employees of the College;
- Empower students to access information independently in the changing world of technology;
- Support faculty by providing professional development and instructional partnerships;
- Engage in responsive collection development by collaborating with faculty to select resources; and
- Provide direction and recommendations to help guide our users to the resources and online tools that will work best for their learning.

This circulation policy supports the library mission by ensuring that library materials are available to members of the Rasmussen College community and other library users on an equitable basis. Exceptions to this policy may be granted by Dean and/or Associate Dean of Library on a case-by-case basis if need is demonstrated.

Borrowing Materials: General

The following persons are permitted to check out materials owned by our library system:

- Rasmussen College students and alumni in good financial standing with the College
- Rasmussen College faculty and staff in good standing with the library
- Consortia patrons in good standing with the library

A patron in good standing with the library is defined as a person who has no overdue items and owes no fees toward damaged or lost items.

A library user is responsible for any items checked out in his or her name. Rasmussen College retains the right to deny borrowing privileges to any person in violation of this or any other library policy.

Loan Periods

Loan periods vary depending on the database and content. eBooks from the databases can be checked out and used offline for up to 7 calendar days. Digital materials are loaned for 21 calendar days from the Cloud Library and may be renewed up to two times if there are no outstanding holds on the material.

Library materials must be returned to the library on or before the end of the loan period; if they are not returned by the user, the system will automatically recall the material.
